

TECHNICAL DATA SHEET**MALEIC RESIN**
CODE: MRG 1307

Production Name	Maleic resin
Production Code	MRG 1307
Origin	China
Production's Analysis	
Description	Specification
Appearance	Flake form
Acid Value	30 Max (KOH mg/g)
Color Gardner	7 max
Soften point	130° C ±5

Storage:

Product should be stored under cover, dry condition, in a clean and well ventilated area. Keep away from heat, sparks and any other source of ignition.
