

**TECHNICAL DATA SHEET**
**Body Binder – T 900**

Our Body Binder can greatly enhance the strength of ceramic raw body materials. This product is specially designed for Ceramic industry and it has been approved by many customers. Technical data sheet of our product is as below:

|                        |                             |
|------------------------|-----------------------------|
| <b>Production Name</b> | <b>Liquid Body Binder</b>   |
| Production code        | T 900                       |
| Appearance             | Milky white liquid          |
| Composition            | Organic molecular polymer   |
| Intensity increased    | 40 – 100%                   |
| <b>Specification</b>   |                             |
| <b>Testing items</b>   | <b>Standard</b>             |
| PH value               | 7.0 – 9.0                   |
| Main active material   | > 60%                       |
| Cold water solubles    | 100 %                       |
| Odour                  | A bit penetrating odour     |
| Packing                | 50 or 125 kg/Plastic barrel |
| Storage                | In cool, dry place          |
